

Mannahelp 2024 Impact Summary

Mannahelp - 2024 Transparency & Impact Summary

At Mannahelp, we believe in 100% transparency - every dollar and donation matters.

Where Your Money Went

In 2024, we received \$7,000 in financial donations - and 100% went directly to feed families in Durham Region through our food distribution program. We proudly spent \$0 on admin, salaries, or overhead.

- 100% of donor funds stayed in Canada
- Nigeria programming in 2024 was privately funded.
- This year, donor contributions focused on feeding families across Durham Region. Our global efforts, in Nigeria, were funded independently — and we look forward to expanding both with your continued support.

In-Kind Donations (CANADA)

Thanks to the generosity of community members and corporate sponsors, we also distributed:

- Hundreds of non-perishable food items
- Over 400 hygiene products
- Clothing and essentials for local families

These gifts helped stretch our impact far beyond cash donations.

Impact By the Numbers

- 1,200+ individuals supported in Canada
- 370+ households served in Canada
- 200+ back-to-school kits distributed in Canada
- 400+ hygiene items shared in Canada
- Hundreds of non-perishables & clothing donated in-kind in Canada
- 59 students in Nigeria received ongoing digital literacy training.

Nigeria programming in 2024 was independently funded and did not draw from general donations.

Looking Ahead in 2025

- Expand monthly giving to serve more families
- Secure new storage & service space for food distribution

Your support makes this possible - thank you for being part of the impact.
